RULE 132 DECLARATION

I, Jan Weber, declare that:

1. I am one of the co-inventors in the present patent application, as identified above.
2. I am also one of the persons identified as a co-inventor in the WO 2004/035122 patent application publication ("WO '122") and I am familiar with the subject matter disclosed therein.
3. The disclosure of WO '122 is a description of subject matter developed jointly by myself and the other co-inventors of the present patent application.
4. The set of inventors identified in WO '122 are identical to the inventors in the present patent application.
5. All statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Dated: 5 June 2007

Signed 
Jan Weber
